**Re: Corning Incorporated *Ex Parte* Presentation in
CC Docket, No. 01-338, Review of the Section 251
Unbundling Obligations of Incumbent Local Exchange
Carriers**

Dear Ms. Dortch:

On October 17, 2002, Corning filed the attached *ex parte* notice under an incorrect docket number (CC 01-336). This filing today is to correct that action and re-file this *ex parte* under the correct docket number (CC 01-338). We originally requested this correction in our filing dated November 26, 2002, but it does not appear to have made it into the correct docket.

This is in reference to our meeting on Wednesday, October 16, 2002, when a group representing Corning Incorporated (hereinafter referred to as "Corning") met with numerous FCC officials to discuss the above-cited NPRM. The Corning representatives included Timothy J. Regan, Senior Vice President, Corning Incorporated; Stephen B. Brodeur, President, Cambridge Strategic Management Group; and Edward W. Naef, Associate, Cambridge Strategic Management Group.

In accordance with Commission rules, I am filing this notice and request that the attached documents be included in the record of the proper proceeding identified above.

Respectfully submitted,

Timothy J. Regan
